

## Certificate – Graduate

### Curriculum Change Form - Guide

#### Purpose:

This form is used when a curriculum change is needed for a change to a Graduate Certificate. Changes can include title or total credit hour changes to name a few examples.

#### Guide for completing the form correctly:

- 1. Completing the Form-** Please make sure to complete the form as a fillable PDF (Do not hand write the information into the form), then add any necessary/required attachments after the last page of the form.
  - a. DO NOT TYPE THE TITLE INTO THE “Proposed Name of Certificate” LINE AFTER THE HEADING OF THE FORM, THIS FIELD WILL AUTOPOPULATE FROM THE PROPOSED NAME OF DEGREE/MAJOR FIELDS.**
  - b. Please make sure to indicate the old title and the new title, if it is a title change that is being proposed. Also make sure that there are no abbreviations in the titles to ensure accuracy in coding if approved.  
*CORRECT EXAMPLE: Cultural Resource Management – Graduate Certificate*  
*INCORRECT EXAMPLE: Cultural Resource Mgt. – Grad. Cert.*
- 2. Under the “Information about the Curriculum Change”** section of the form please make sure to check the boxes for “Catalog Description/Curriculum for the Program and Degree Plan/Roadmap” when you attach the information into the document. This is to help submitters, as well as, approvers know if the correct information is attached.
- 3. For the “impact on institutional resources” question on this form-** please include if library resources will change or not and make sure to provide adequate details either way (i.e. we reached out to the library and confirmed that our change will (or will not) be needing additional library resources).
- 4. For the Required Attachments section on page #3-** please make sure to follow the structure for the colored markup and reach out to the University Student Records Office for the necessary templates. This will help to ensure that the changes are processed/added to both the catalog and degree audits correctly.
  - a. If the changes include any new courses, they must be approved through the CAF system processes, prior to the approval of the program at ADAC in order to be added to catalog.**
  - b. Please make sure to include any course requirements (C- or better, etc.), admission requirements, standardized exams, internships, etc. type requirements in the catalog content in order to provide this information more clearly to students.
- 5. For Section 3: Approvals on page #4-** these are completed sequentially and all signatures need to be on the original paperwork, once the Provost signature is obtained the completed paperwork (with all signatures) must be submitted to the University Student Records Office (SRO) for the final receipt of paperwork signature and will then begin any HED/CIP code/HLC approvals (via the SRO). Once all approvals are received, the SRO will begin to formally process the change into banner.
- 6. For Section 4: Administrative Processing on page #4-** Once the University Student Records Office processing the changes into Banner, they will complete this area and then send a copy of the entire paperwork to the initial submitter and the Academic Dean (as listed on page 1).
